US Autism and Asperger Association, Inc. News Update  
Hurricane Wilma - ATTENTION FAMILIES IN THE GULF COAST REGION  
October 19, 2005  
~~~~~

Dear Larry,

If you will potentially be impacted by Hurricane Wilma, you are invited to register your family or families you know about who have children with autism, at the AutismCares website, free of charge. You can put in emergency contact information so that AutismCares coordinators can call to check on you after the storm hits.

A checklist to help you and your family prepare for the storm is listed at the Hurricane Preparations link below. Should your family need anything after the storm, AutismCares will do their best to assist you in coordinating those needs.

Registering prior to the storm will help AutismCares be more effective in their efforts once it passes. To register, please fill out the form at AutismCares Registration before landfall.

AutismCares is still working hard to assist families they have located in the aftermath of Katrina. If you know of a family in need of assistance please enter their information at www.autismcares.org . If you have any questions please contact AutismCares at 1-800-960-1844 or email autismcares@talkautism.org.

For our friends preparing for Hurricane Wilma, please find a list of hurricane preparations at the following link:

Hurricane Preparations
